MISSION Into the Unknown!

Year One Pupils,

Your mission for Terms 3 and 4 is to venture into the unknown! You are invited to 'meet' two of the greatest explorers from history and compare and contrast their amazing journeys to discover a brand new world.

We will be 'travelling' back more than 300 years to learn about Christopher Columbus and his voyage of discovery to the New World. We will then be comparing his life and adventures with those of astronaut Neil Armstrong - a man who has been where few have followed! We will rocket into Term 4 with a visit from StarLincs Planetarium on **26th February** to immerse us in the journey that Neil Armstrong took. We will learn all about how both explorers travelled, what they ate and why each of them can be found in the history books!

There will be so many fantastic opportunities on our mission - we will make our own spaceman salad including home-grown ingredients; create sea and space-inspired artwork; and use IT to create our own fact files comparing these two explorers.

BREAKING NEWS! Watch out for our fabulous year group assembly on **14th March!**

We look forward to travelling with you!

In order to keep our bodies expedition ready, we will continue to have PE every week as follows:

1P - Monday and Wednesday
1TY - Monday and Wednesday
1MS - Monday & Friday

Please make sure your **INDOOR and OUTDOOR kit** is in school everyday in case of last minute timetable changes.

We love to share our reading so remember to have your reading book and diary in school every day!

To infinity and beyond!

We hope you enjoyed working through the homework tasks last term. Hopefully there will be lots of ideas to inspire you this term too!

Remember you need to complete a minimum of **3** tasks by the end of this term. Please ask your class teacher if you have any questions.
