

## Epic English

We will be learning how to write recounts that tell others about our experiences using the past tense. We'll also be looking at stories, exploring characters and familiar settings and beginning to think about what poems we like!

# Oh the Places You'll Go!

## Magical Maths!

In Maths we will continue to use elements of the Maths No Problem program - based on the Singapore method of teaching. This allows pupils to develop strategies that can be applied across their Maths learning. This term we will begin by thinking about using numbers all the way up to 100. We will be using these numbers when exploring place value, addition, subtraction, multiplication and division.

Our **Christian Values** this term are **Creation, Friendship and Fellowship**. We will be linking these closely to our 3 Rs in school and relating these to stories from the Bible. We will focus on The Creation Story and The Story of Jonathan and David.

## Special Visits!

We will be going on an exciting adventure to Bourne's Delaine Bus Depot where we will have a tour of the depot, take a bus trip and go through the bus wash! More details to follow!

Jump on board and join Year 2 as they take you on an adventure exploring our new topic! We are learning all about different types of transport that we find from the sea to the sky. We will also be taking a trip down memory lane where we will get the chance to explore how transport was different in the past as well as finding out about inventors and pioneers from around the world. In Design and Technology we will create our own vehicles. In R.E we are exploring the religion of Islam, looking at the impact being a Muslim has on a person's daily life.

Remember our door is always open to discuss any small worries you might have.

Article 28:

Every child has the right to an education.

## Reading

We encourage the children to read every night and ask if you could please write in their reading diaries.

## Homework

The children will be asked to complete at least 6 challenges from our special Cross-Curricular Homework Challenge Sheet.

## P.E

Please make sure your **INDOOR** and **OUTDOOR** kit is in school every day.

## Weather

Please remember to bring a named coat to school everyday.

Article 29:

Every child has the right to be the best they can.
